**PROGRAM:** Our Speaker today was Chairman-Elect Mike Boyce who will take office in January 2017. He introduced Millie Rogers as his Executive Assistant.

Being in the Marine's was his lifelong dream in which he served 30 years, and also retired from the Federal Government. He believes in responsibility and one of his challenges is the Mileage Rate, which was passed (6.6). Mr Boyce is not planning on raising taxes, but if he had to it would be for the 2018 Park Bond. He also said that he would not stop development, but govern it differently, no more deals like the Braves Stadium.

He has several committees in place and is proud of what they are doing, they are all volunteers.

He will be submitting a draft plan to the Board by January.
