Official Minutes of the Zoom Board Meeting of June 21, 2021

Board members present included: John Reida, Bob Beard, Sam Heaton, JoAnn Mann, Mike Ball, Tori Kadner, and David Stone. There was a quorum.

- The Zoom meeting officially opened at 10:00 AM
- It was approved and determined that beginning with the first return to the in-person membership meeting on July 21st, at 12:00 Noon, we will:
 - Give away one \$25 gift card randomly drawn from in-person attendees
 - Serve no food or drinks and suggest that attendees bring their own for their consumption
 - Monitor the circumstances of the next few in-person meetings and determine at a future board meeting how to introduce food and drinks back into the meeting
 - Begin offering the monthly membership meetings in a hybrid form whereby the live in-person meeting is simultaneously provided virtually by way of a Zoom virtual meeting. A laptop will be set up in the front row of the audience facing the presenter throughout the meeting. There will be little interaction with the Zoom attendees. However, they will be able to watch the presenters throughout the entire meeting. The Zoom virtual meeting will be recorded and made available on the CCREA website for 30 days until overwritten by the following month's meeting.

These official minutes were produced by John Reida and are accurate as to what transpired.
