Meeting Minutes of the August 18th Board Meeting

Mike, John, Sam, and Bob were present and there was a quorum

- We discussed the upcoming officer election and determined that those chosen to serve as vice presidents should plan to serve as presidents. That is; the next president will serve a number of years as determined by the membership, followed by the then current 1st vice president, with the 2nd vice president moving up to 1st vice president, and so on. All of this using a nomination and election process with officers elected by the membership.
- Melvin Holton will serve as our Election Nomination Chairman this year
- We determined that a draft 2022 Board would include:
 - President: John Reida
 - 1st Vice President: Sam Heaton
 - 2nd Vice President: Open
 - Secretary: JoAnn Mann
 - Co-Treasurers: Mike Ball and Melvin Holton
 - Immediate Past President: David Stone
- We determined that we would accept the senior center's offer to provide free coffee for our membership in the center's break room

Meeting Minutes provided by John Reida
