October 20th, 2021 CCREA Board Meeting Minutes

David Stone, John Reida, Mike Ball, and Bob Beard were present for a quorum

- The September 15th Board Meeting Minutes were approved
- The Board determined to approve caterer Flavorful Events' Buffet #3 with roast beef and fried chicken. It was further approved to order 130 servings. The total cost will be \$2,454.40. The treasurer will handle the contract with the caterer and provide the deposit. The tablecloths were not discussed at the meeting. However, it is customary that we rent 25 at \$5.00 each for \$125. The treasurer will handle transaction as usual.
- It was determined that the association will hold a January meeting ongoing as the January meeting date no longer conflicts with the Martin Luther King holiday. This does not conflict with the bylaws which allow up to 12 business meetings per year.
- We will hold a Medicare/Medigap training class in late October or early November if Tressie and the senior center room are available.
