

CCREA Board Meeting Agenda Minutes

July 17, 2024

In attendance: Sam Heaton, Ty Mitchell, Mike Ball, Melvin Holton, John Reida, Julie Arnold

1. August speaker will be Dawn Levine – do we want to serve lunch also since it was going to be a cook-out? Pizza, Sandwiches? **Pizza was decided on, which per Ty cost \$446 last time. Sam will contact Roswell if needed regarding the order, but we will order fewer cheese and more supreme or meaty versions.**
2. Ty speaking when Bill Volckmann does in September. **Bill will speak first, then Ty with Medicare updates, which are abundant this year. Ty will also be available at the October meeting to address any follow-up questions. Sam will send a reminder to Bill to make sure we're on his calendar, and contact AARP to request more Medicare 101 booklets.**
3. **Sam will send a reminder to Tressie regarding the October 16 meeting. Ty will be available for any follow-up questions regarding Medicare.**
4. The County Manager will be speaking in November. This completes the year for speakers. **The question was asked whether we should meet independently with the Chairwoman/Commissioners to request the medical stipend be raised.**
5. Members today need to pick one of the menus below for the Christmas lunch and Mike will let the vendor know. **Option 2 was overwhelmingly chosen, which is the Pot Roast and Fried Chicken selection.**
6. Please let the members know the speakers for the rest of the year.
7. I did not sign the paperwork that was sent from Houze. **Agreement should be between CCREA and Houze and not CCREA and Genomic Life.**
8. Any additional thoughts, comments, suggestions? **None mentioned.**
9. **Patrice Weaver spoke to us regarding the Rise of the Holocaust, and Doris Wilson won a Cracker Barrel gift card at the July 17 meeting.**
